APPEARANCES:

For the Respondent:

MARY ELIZABETH GRANT
Attorney at Law

1 WEDNESDAY, DECEMBER 11, 2019

MORNING SESSION

2 PROCEEDINGS

3 ---000---

4
5 THE COURT: Let's go on the record in the Narang vs.
6 Narang matter.

7 MS. GRANT: Good morning, Your Honor. Mary Elizabeth
8 Grant appearing for Respondent, Amarjit Narang, who is
9 present.

10 THE COURT: All right. Kamal Narang, the petitioner,
11 is not present.

12 We had an off-the-record discussion. We don't believe
13 that she will be present because there is a trial -- a
14 long-cause trial scheduled in Department 503 for
15 December 16th, 17th, and 18th. The Court will order that
16 the RFO that is on for adjudication today, and I believe
17 that's to be the October 25th RFO filed by petitioner, be
18 continued to December 16th in Department 503.

19 MS. GRANT: Your Honor, when I looked at the register
20 of actions, it looks like there's two matters scheduled for
21 today. So I wasn't served with those, unless one of them
22 was -- we were served with one on November 14th that said
23 objection, with a long list of objections, and I don't know
24 what the issue was.

25 THE COURT: I will order that any RFO that's pending
26 adjudication today will be transferred to Department 503 for
27 that trial date on December 16th.

28 In addition, there is an RFO scheduled on December 16th

1 in this department.

2 MS. GRANT: That's December 30th.

3 THE COURT: 30th, thank you.

4 MS. GRANT: Yes.

5 THE COURT: We'll vacate that date.

6 And, apparently, that matter is to be heard on
7 December 16th.

8 MS. GRANT: Yes. Correct, Your Honor.

9 THE COURT: In Department 503.

10 All right, anything further?

11 MS. GRANT: That's it, Your Honor.

12 THE COURT: All right, thank you.

13 MS. GRANT: Thank you. Have a great day.

14 THE COURT: You too, Ma'am.

15 MS. GRANT: Happy holidays.

16 THE COURT: You too.

VENUE

13. This court is NOT the proper court because THIS JUDGE IS NOT RULING ON ANY OF MY EMERGENCY Ex Parties. FILED EVEN ABOUTING LOSING OF MY PROEPRTY OR STROKE AND EVEN HEATATTACK ALL IS HIDDEN WITH THE JUDGE AND NOT SHOWING IN THE REGISTER OF ACTIONS

**FIRST CAUSE OF ACTION FOR FRAUD BY PLAINTIFF AGAINST ALL
DEFENDANTS and DOES 1-20 (“DEFENDANTS”)**

14. I was married to Defendant Amarjit Narang for over 51 years. We separated and a wrong legal action was filed in the Alameda County Superior Court on April 27, 2017 for Support and was given the Case no. HF17858281. It should have been filed in state and it was corrected right away. From April 27, 2017 my Judge was Judge Lupe Garcia. She gave a new case number, and the Petition for Legal Separation was filed in Alameda County Superior Court on July 20, 2017 and given Case no. HF17868366 through the trial date June 7, 2019. There was only one case through June 7, 2019, because we were living in California as Husband and Wife, married couple. 2007 through 2017 we lived together as Husband and Wife, married only and we bought properties together. My Husband never even mentioned we ever had 2 months separation or New York case because we forgot that, and we cancelled that and reconciled. In each of his declarations with the Court from April 207, 2017 until June 7, 2019 we never had this issue, Husband always says we are married always 50/50. had nothing to do with the other case number which was misfiled as out of state. The cases were later consolidated (HEREINAFTER “Family Law Case”).
15. We were ready for the trial on June 7, 2019. Me and my attorney, Dennis O’Neill. We made 154 Exhibits and three big binders. A lot of subpoenas because there were false leases.
16. We had seven properties and four rental properties. Two were with his nephew, Harmeet Narang, who lives out of state. Mr. O’Neill sent him a joinder.
17. Mr. Steely Jobson from California was to at the trial time of June 7, 10 and 11th, 2019 to represent Harmeet for trial. There was big fraud right in the trial room. One hundred pages Ex Parte was filed for fake sickness. Mr. Steely Jobson did biggest fraud being master frauder in the history of the United States to mislead the Judges. He joined with him six more attorneys and three doctors. These nine people were not in my case. Only Swapna and Anthoor was the only one. She also joined after 16 months, then my

1 Husband was put on Contempt. From April 2017 through April 25, 2018 my Husband
2 did not show up in the Court. He was sending fake sick notes from his friend doctor Dr.
3 Bhandari for fake sickness to the Court. My husband was harassing me every Court date
4 and telling me not to go to the Court dates. He said he was not going and that If I go, I
5 will be wasting my time and money. He said I have note from Dr. Bhandari and I am
6 not going. He filed one hundred pages ex parte right in the trial chambers saying he is
7 very sick, and he may die today. Defendant's Anthoor and Uhl used the wrong case
8 number sending emails over and over to the trial judge to stop the trial for fake sickness.
9 Because Defendant Steely talked to my Husband and he will train him and he can get
10 him all of the properties, but you have to tell a lot of lies. And first of all you must stop
11 the trial right away and I need 3-4 months' time to get all of this done as you have to get
12 to your brother in New York and do a lot of money transfers and transactions and you
13 have to tell a lot of lies to pretend like your wife is not your wife but she is your
14 roommate. My husband said no problem, Mr. Steely, Dr. Bhandari is my friend, he can
15 help me to stop the trial and put me in the hospital one day with fake sickness to stop the
16 trial.

17 18. So, they plotted this fraud to stop the trial and they had three doctors. Dr. Bhandari told
18 my husband, Uncle, do not worry if you do not want to go to trial and stop the trial, I
19 will help you. Dr. Bhandari is a family friend and calls my Husband Uncle because he
20 is older than him. They plotted this one month back. One of my friends told me they are
21 going to do something very fishy and very bad, and they are not coming to the Court for
22 the trial.

23 19. I overheard Defendant Anthoor talking to somebody and stated we are not going to the
24 Court June 7, 2019 and we have different plans. She never made trial exhibits or binders
25 which is supposed to be exchanged five working days of the Court. So, all was very
26 fishy what was going on.

27 20. So, Dr. Bhandari told my Husband, Uncle go to Washington Hospital Emergency Room
28 "ER" and my friend Dr. Preek will be there, and you pretend you have chest pain so then

1 he will admit you with my orders. He told me the same too. He said Aunt, if you do not
2 take the case out of the Court, I will keep doing this and Judge cannot do anything.

3 21. Dr. Preek admitted him, and one other friend of Dr. Bhandari checked him. They gave
4 him a follow up letter to follow up.

5 22. So, on the 7th the trial date he stayed home and pretending he is sick, but he was not sick
6 as on June 8th morning he was Sikh temple (our church). He was 100% ok and not sick,
7 moving around doing the praise by himself. Talking to our friends, our friends were not
8 talking to him, They said what kind of person you are shame on you. You are married 55
9 years and what are you doing. My husband said I am sorry I know; I have lovely wife
10 and I never wanted to do this, I came here from New York for her, and my nephew's
11 attorney is very very good, he told me and trained he can get me all of the properties. He
12 trained me to stop the trial and go to New York and to transfer the properties to my
13 brothers, so I am going today. My nephew's attorney, Mr. Jobson, he trained me he told
14 me to stop the trial and Dr. Bhandari helped me to admit me in the hospital. Now I am
15 going to New York for 3-4 months to do the money transfers as Mr. Steely told me to. I
16 love my wife; we will live together I will bring her home. I will marry right here in Sikh
17 temple. My husband was talking to the priest and all other close friends, I will marry
18 here, and she is my lovely wife, this is only for the properties Mr. Jobson told me. Mr.
19 Jobson pretend like your wife is not your wife, but she is your roommate.

20 23. After church, My husband went to my friend's house, Raj Chaudhary, who is my
21 lifesaver for over 20 years, whenever I dislocate my shoulder, so I stay with her for 6
22 months free. And she is given me money every month whenever I need for the lawyers,
23 and I told her when my case is over in June, I will pay her back. She was witness in my
24 case. My husband wrote one letter and told her to sign behind my back. He told her if
25 she signs, she does not have to go to Court and to be a witness because she is in
26 wheelchair. He tried to bribe her. Then my friend told me then I told her lets call him
27 about signing and why he is doing like that. When she called, he was in New York with
28 my brother and will be back in 3-4months.

1 24. They plotted all this to stop the trial.

2 25. Dr. Bhandari called me June 9th at 9am on my cell because he is a common friend. He
3 says see what I have done, I have stopped the trial and Judge cannot do anything. I will
4 keep giving him doctors notes if you do not take the case out of trial. Dr. Bhandari came
5 to the Court to meet my attorney Sabharwal to bribe her and told her not to do my case
6 and take my husbands and gave her same day appointment for 5 hours. The she joined
7 them and charged me for meeting with them.

8 26. Husband went to New York and stayed until September 2019.

9 27. On June 7, 2019, Judge Nixon was there for the first day of trial as the trial Judge. My
10 husband did show up for the Court. Judge gave order to appraise all 6 properties and
11 50/50. He made the minutes and they were on June 10th. But Judge Chaterjee changed
12 the minutes and made different minutes on June 12th and there was no 50/50 division
13 done.

14 28. They carried on this fake case number seven months and everyday new episode bringing
15 the New York case that was never the issue.

16 29. It was over before Judge Garcia taken care of everything.

17 30. As my husband called his employer in 2007 he retired and made me beneficiary and
18 married wife.

19 31. So, we were married and never separated, and all this case and seven months fraud
20 wasted the Courts time. Judge Garcia and Judge Nixon's orders were never complied,
21 and this fake case was started which was never used before HF17858281. This case is
22 fake case. Fraud by Jobson. Why did Judge carry on with this one, Judge Chaterjee did
23 not know anything about this case. I was shocked why my trial stopped. It stopped
24 because I was waiting for my money and my surgeries on hold. So Judge Nixon moved
25 after the trial date June 7, 2019 and Judge Chaterjee took his place. Judge Chaterjee
26 became the trial Judge.

27 32. On June 7, 2019 the Family Law Case was originally set for Trial. It was eventually
28 heard for trial in December 2019. Before and during the Trial Defendant Amarjit Narang

1 conspired with the other Defendants in this manner to defraud me out of multiple
2 properties.

3 33. On December 24, 2019, a Judgment was entered in the Family Law Case in favor of
4 Defendant Amarjit Narang awarding him multiple properties that should have been
5 divided 50/50 between him and I.

6 34. Defendants' Amarjit Narang and Dr. Bhupinder Bhandari, M.D. and others conspired to
7 produce face medical documents in the Family Law Case in order to continue and delay
8 the hearing and put Defendant Amarjit Narang in to frustrate the legal process and cause
9 me to incur more legal fees and put me in a disadvantage.

10 35. Defendant, Mary Uhl, Paralegal in the Anthoor Law Group, furthered the fraud by
11 emailing the fraudulent medical documents to the Alameda County Superior Court for
12 Judicial review in the Family Law Case.

13 36. The nature of involvement of the other Defendants for this cause of action is currently
14 unknown and will be ascertained during the course and scope of these proceedings.

15 37. When Defendants made the actions and conduct described herein, Defendants knew
16 their actions were fraud.

17 38. Because of Defendants' actions and conduct described herein, I was damaged in the
18 following ways:

- 19 a. Emotional distress
- 20 b. Health - Stress that led to stroke
- 21 c. Financial - Loss of my 50% interest in at least 7 Real Estate properties and other
22 community property to be determined.

23 **SECOND CAUSE OF ACTION FOR FRAUD and DOES 1-20 ("DEFENDANTS")**

24 39. I was married to Defendant Amarjit Narang for over 51 years. We separated and a
25 wrong legal action was filed in the Alameda County Superior Court on April 27, 2017
26 for Support and was given the Case no. HF17858281. It should have been filed in state
27 and it was corrected right away. From April 27, 2017 my Judge was Judge Lupe Garcia.
28 She gave a new case number, and the Petition for Legal Separation was filed in Alameda

1 County Superior Court on July 20, 2017 and given Case no. HF17868366 through the
2 trial date June 7, 2019. There was only one case through June 7, 2019, because we were
3 living in California as Husband and Wife, married couple. 2007 through 2017 we lived
4 together as Husband and Wife, married only and we bought properties together. My
5 Husband never even mentioned we ever had 2 months separation or New York case
6 because we forgot that, and we cancelled that and reconciled. In each of his declarations
7 with the Court from April 20, 2017 until June 7, 2019 we never had this issue, Husband
8 always says we are married always 50/50. had nothing to do with the other case number
9 which was misfiled as out of state. The cases were later consolidated (HEREINAFTER
10 "Family Law Case").

11 40. We were ready for the trial on June 7, 2019. Me and my attorney, Dennis O'Neill. We
12 made 154 Exhibits and three big binders. A lot of subpoenas because there were false
13 leases.

14 41. We had seven properties and four rental properties. Two were with his nephew, Harmeet
15 Narang, who lives out of state. Mr. O'Neill sent him a joinder.

16 42. Mr. Steely Jobson from California was to at the trial time of June 7, 10 and 11th, 2019
17 to represent Harmeet for trial. There was big fraud right in the trial room. One hundred
18 pages Ex Parte was filed for fake sickness. Mr. Steely Jobson did biggest fraud being
19 master frauder in the history of the United States to mislead the Judges. He joined with
20 him six more attorneys and three doctors. These nine people were not in my case. Only
21 Swapna and Anthoor was the only one. She also joined after 16 months, then my
22 Husband was put on Contempt. From April 2017 through April 25, 2018 my Husband
23 did not show up in the Court. He was sending fake sick notes from his friend doctor Dr.
24 Bhandari for fake sickness to the Court. My husband was harassing me every Court date
25 and telling me not to go to the Court dates. He said he was not going and that If I go, I
26 will be wasting my time and money. He said I have note from Dr. Bhandari and I am
27 not going. He filed one hundred pages ex parte right in the trial chambers saying he is
28 very sick, and he may die today. Defendant's Anthoor and Uhl used the wrong case

1 number sending emails over and over to the trial judge to stop the trial for fake sickness.
2 Because Defendant Steely talked to my Husband and he will train him and he can get
3 him all of the properties, but you have to tell a lot of lies. And first of all you must stop
4 the trial right away and I need 3-4 months' time to get all of this done as you have to get
5 to your brother in New York and do a lot of money transfers and transactions and you
6 have to tell a lot of lies to pretend like your wife is not your wife but she is your
7 roommate. My husband said no problem, Mr. Steely, Dr. Bhandari is my friend, he can
8 help me to stop the trial and put me in the hospital one day with fake sickness to stop the
9 trial.

10 43. So, they plotted this fraud to stop the trial and they had three doctors. Dr. Bhandari told
11 my husband, Uncle, do not worry if you do not want to go to trial and stop the trial, I
12 will help you. Dr. Bhandari is a family friend and calls my Husband Uncle because he
13 is older than him. They plotted this one month back. One of my friends told me they are
14 going to do something very fishy and very bad, and they are not coming to the Court for
15 the trial.

16 44. I overheard Defendant Anthoor talking to somebody and stated we are not going to the
17 Court June 7, 2019 and we have different plans. She never made trial exhibits or binders
18 which is supposed to be exchanged five working days of the Court. So, all was very
19 fishy what was going on.

20 45. So, Dr. Bhandari told my Husband, Uncle go to Washington Hospital Emergency Room
21 "ER" and my friend Dr. Preek will be there, and you pretend you have chest pain so then
22 he will admit you with my orders. He told me the same too. He said Aunt, if you do not
23 take the case out of the Court, I will keep doing this and Judge cannot do anything.

24 46. Dr. Preek admitted him, and one other friend of Dr. Bhandari checked him. They gave
25 him a follow up letter to follow up.

26 47. So, on the 7th the trial date he stayed home and pretending he is sick, but he was not
27 sick as on June 8th morning he was Sikh temple (our church). He was 100% ok and not
28 sick, moving around doing the praise by himself. Talking to our friends, our friends

1 were not talking to him, They said what kind of person you are shame on you. You are
2 married 55 years and what are you doing. My husband said I am sorry I know; I have
3 lovely wife and I never wanted to do this, I came here from New York for her, and my
4 nephew's attorney is very very good, he told me and trained he can get me all of the
5 properties. He trained me to stop the trial and go to New York and to transfer the
6 properties to my brothers, so I am going today. My nephew's attorney, Mr. Jobson, he
7 trained me he told me to stop the trial and Dr. Bhandari helped me to admit me in the
8 hospital. Now I am going to New York for 3-4 months to do the money transfers as Mr.
9 Steely told me to. I love my wife; we will live together I will bring her home. I will
10 marry right here in Sikh temple. My husband was talking to the priest and all other close
11 friends, I will marry here, and she is my lovely wife, this is only for the properties Mr.
12 Jobson told me. Mr. Jobson pretend like your wife is not your wife, but she is your
13 roommate.

14 48. After church, My husband went to my friend's house, Raj Chaudhairy, who is my
15 lifesaver for over 20 years, whenever I dislocate my shoulder, so I stay with her for 6
16 months free. And she is given me money every month whenever I need for the lawyers,
17 and I told her when my case is over in June, I will pay her back. She was witness in my
18 case. My husband wrote one letter and told her to sign behind my back. He told her if
19 she signs, she does not have to go to Court and to be a witness because she is in
20 wheelchair. He tried to bribe her. Then my friend told me then I told her lets call him
21 about signing and why he is doing like that. When she called, he was in New York with
22 my brother and will be back in 3-4months.

23 49. They plotted all this to stop the trial.

24 50. Dr. Bhandari called me June 9th at 9am on my cell because he is a common friend. He
25 says see what I have done, I have stopped the trial and Judge cannot do anything. I will
26 keep giving him doctors notes if you do not take the case out of trial. Dr. Bhandari came
27 to the Court to meet my attorney Sabharwal to bribe her and told her not to do my case
28

1 and take my husbands and gave her same day appointment for 5 hours. The she joined
2 them and charged me for meeting with them.

3 51. Husband went to New York and stayed until September 2019.

4 52. On June 7, 2019, Judge Nixon was there for the first day of trial as the trial Judge. My
5 husband did show up for the Court. Judge gave order to appraise all 6 properties and
6 50/50. He made the minutes and they were on June 10th. But Judge Chaterjee changed
7 the minutes and made different minutes on June 12th and there was no 50/50 division
8 done.

9 53. They carried on this fake case number seven months and everyday new episode bringing
10 the New York case that was never the issue.

11 54. It was over before Judge Garcia taken care of everything.

12 55. As my husband called his employer in 2007 he retired and made me beneficiary and
13 married wife.

14 56. So, we were married and never separated, and all this case and seven months fraud
15 wasted the Courts time. Judge Garcia and Judge Nixon's orders were never complied,
16 and this fake case was started which was never used before HF17858281. This case is
17 fake case. Fraud by Jobson. Why did Judge carry on with this one, Judge Chaterjee did
18 not know anything about this case. I was shocked why my trial stopped. It stopped
19 because I was waiting for my money and my surgeries on hold. So Judge Nixon moved
20 after the trial date June 7, 2019 and Judge Chaterjee took his place. Judge Chaterjee
21 became the trial Judge.

22 57. Defendants' Amarjit Narang and Dr. Gautam Preek (Preek) and others conspired to
23 produce fake medical documents in the Family Law Case in order to continue and delay
24 the hearing and put Defendant Amarjit Narang in to frustrate the legal process and cause
25 me to incur more legal fees and put me in a disadvantage.

26 58. I was told by Defendant, Dr. Bhupinder Bhandari M.D. (Bhandari) that Defendant,
27 Preek was an Emergency room doctor in 2019, and that Defendant, A. Narang, was
28

1 directed by Bhandari to Preek to pretend he had chest pain in order to get admitted and
2 delay the start of the Family Law Case trial that was about to get started.

3 59. On or about June 2, 2019, A Narang was admitted by Preek to the hospital from fake
4 chest pains. A. Narang was sent home June 4, 2019 and cleared to fly by June 8, 2019.

5 60. Preek, acting on behalf of A. Narang provided fraudulent medical docs that helped to
6 sway the judge to grant a continuance. Preek and Narang conspired together to have A.
7 Narang admitted to the hospital.

8 61. The nature of involvement of the other Defendants for this cause of action is currently
9 unknown and will be ascertained during the course and scope of these proceedings.

10 62. When Defendants made the actions and conduct described herein, Defendants knew
11 their actions were fraud.

12 63. Because of Defendants' actions and conduct described herein, I was damaged in the
13 following ways:

14 a. Emotional distress

15 b. Health - Stress that led to stroke

16 c. Financial - Loss of my 50% interest in at least 7 Real Estate properties and other
17 community property to be determined.

19 trained me he told me to stop the trial and Dr. Bhandari helped me to admit me in the
20 hospital. Now I am going to New York for 3-4 months to do the money transfers as
21 Mr. Steely told me to. I love my wife; we will live together I will bring her home. I
22 will marry right here in Sikh temple. My husband was talking to the priest and all
23 other close friends, I will marry here, and she is my lovely wife, this is only for the
24 properties Mr. Jobson told me. Mr. Jobson pretend like your wife is not your wife, but
25 she is your roommate.

26 96. After church, My husband went to my friend's house, Raj Chaudhairy, who is my
27 lifesaver for over 20 years, whenever I dislocate my shoulder, so I stay with her for 6
28 months free. And she is given me money every month whenever I need for the

1 lawyers, and I told her when my case is over in June, I will pay her back. She was
2 witness in my case. My husband wrote one letter and told her to sign behind my back.
3 He told her if she signs, she does not have to go to Court and to be a witness because
4 she is in wheelchair. He tried to bribe her. Then my friend told me then I told her lets
5 call him about signing and why he is doing like that. When she called, he was in New
6 York with my brother and will be back in 3-4months.

7 97. They plotted all this to stop the trial.

8 98. Dr. Bhandari called me June 9th at 9am on my cell because he is a common friend. He
9 says see what I have done, I have stopped the trial and Judge cannot do anything. I will
10 keep giving him doctors notes if you do not take the case out of trial. Dr. Bhandari
11 came to the Court to meet my attorney Sabharwal to bribe her and told her not to do
12 my case and take my husbands and gave her same day appointment for 5 hours. The
13 she joined them and charged me for meeting with them.

14 99. Husband went to New York and stayed until September 2019.

15 100. On June 7, 2019, Judge Nixon was there for the first day of trial as the trial
16 Judge. My husband did show up for the Court. Judge gave order to appraise all 6
17 properties and 50/50. He made the minutes and they were on June 10th. But Judge
18 Chaterjee changed the minutes and made different minutes on June 12th and there was
19 no 50/50 division done.

20 101. They carried on this fake case number seven months and everyday new episode
21 bringing the New York case that was never the issue.

22 102. It was over before Judge Garcia taken care of everything.

23 103. As my husband called his employer in 2007 he retired and made me beneficiary
24 and married wife.

25 104. So, we were married and never separated, and all this case and seven months
26 fraud wasted the Courts time. Judge Garcia and Judge Nixon's orders were never
27 complied, and this fake case was started which was never used before HF17858281.
28 This case is fake case. Fraud by Jobson. Why did Judge carry on with this one, Judge

Chaterjee did not know anything about this case. I was shocked why my trial stopped.

It stopped because I was waiting for my money and my surgeries on hold. So Judge

Nixon moved after the trial date June 7, 2019 and Judge Chaterjee took his place.

Judge Chaterjee became the trial Judge.

105. On June 7, 2019 the Family Law Case was originally set for Trial. It was eventually heard for trial in December 2019. Before and during the Trial Defendant Amarjit Narang conspired with the other Defendants in this manner to defraud me out of multiple properties.

106. Defendant A. Narang, conspired with all the Defendants both known and unknown in order to defraud me out of my community property in the Family Law Case.

107. The nature and scope of involvement of Defendant and of the other Defendants for this cause of action is currently unknown and will be ascertained during the course and scope of these proceedings.

108. When Defendants made the actions and conduct described herein, Defendants knew their actions were fraud.

109. Because of Defendants' actions and conduct described herein, I was damaged in the following ways:

- a. Emotional distress
- b. Health - Stress that led to stroke
- c. Financial - Loss of my 50% interest in at least 7 Real Estate properties and other community property to be determined.

FIFTH CAUSE OF ACTION FOR FRAUD and DOES 1-20 ("DEFENDANTS")

110. I was married to Defendant Amarjit Narang for over 51 years. We separated and a wrong legal action was filed in the Alameda County Superior Court on April 27, 2017 for Support and was given the Case no. HF17858281. It should have been filed in state and it was corrected right away. From April 27, 2017 my Judge was Judge Lupe Garcia. She gave a new case number, and the Petition for Legal Separation was filed in Alameda County Superior Court on July 20, 2017 and given Case no. HF17868366 through the

1 trial date June 7, 2019. There was only one case through June 7, 2019, because we were
2 living in California as Husband and Wife, married couple. 2007 through 2017 we lived
3 together as Husband and Wife, married only and we bought properties together. My
4 Husband never even mentioned we ever had 2 months separation or New York case
5 because we forgot that, and we cancelled that and reconciled. In each of his declarations
6 with the Court from April 2017, 2017 until June 7, 2019 we never had this issue, Husband
7 always says we are married always 50/50. had nothing to do with the other case number
8 which was misfiled as out of state. The cases were later consolidated (HEREINAFTER
9 "Family Law Case").

10 111. We were ready for the trial on June 7, 2019. Me and my attorney, Dennis
11 O'Neill. We made 154 Exhibits and three big binders. A lot of subpoenas because there
12 were false leases.

13 112. We had seven properties and four rental properties. Two were with his nephew,
14 Harmeet Narang, who lives out of state. Mr. O'Neill sent him a joinder.

15 113. Mr. Steely Jobson from California was to at the trial time of June 7, 10 and 11th,
16 2019 to represent Harmeet for trial. There was big fraud right in the trial room. One
17 hundred pages Ex Parte was filed for fake sickness. Mr. Steely Jobson did biggest fraud
18 being master frauder in the history of the United States to mislead the Judges. He joined
19 with him six more attorneys and three doctors. These nine people were not in my case.
20 Only Swapna and Anthoor was the only one. She also joined after 16 months, then my
21 Husband was put on Contempt. From April 2017 through April 25, 2018 my Husband
22 did not show up in the Court. He was sending fake sick notes from his friend doctor Dr.
23 Bhandari for fake sickness to the Court. My husband was harassing me every Court date
24 and telling me not to go to the Court dates. He said he was not going and that If I go, I
25 will be wasting my time and money. He said I have note from Dr. Bhandari and I am
26 not going. He filed one hundred pages ex parte right in the trial chambers saying he is
27 very sick, and he may die today. Defendant's Anthoor and Uhl used the wrong case
28 number sending emails over and over to the trial judge to stop the trial for fake sickness.

1 Because Defendant Steely talked to my Husband and he will train him and he can get
2 him all of the properties, but you have to tell a lot of lies. And first of all you must stop
3 the trial right away and I need 3-4 months' time to get all of this done as you have to get
4 to your brother in New York and do a lot of money transfers and transactions and you
5 have to tell a lot of lies to pretend like your wife is not your wife but she is your
6 roommate. My husband said no problem, Mr. Steely, Dr. Bhandari is my friend, he can
7 help me to stop the trial and put me in the hospital one day with fake sickness to stop the
8 trial.

9 114. So, they plotted this fraud to stop the trial and they had three doctors. Dr.
10 Bhandari told my husband, Uncle, do not worry if you do not want to go to trial and
11 stop the trial, I will help you. Dr. Bhandari is a family friend and calls my Husband
12 Uncle because he is older than him. They plotted this one month back. One of my
13 friends told me they are going to do something very fishy and very bad, and they are not
14 coming to the Court for the trial.

15 115. I overheard Defendant Anthoor talking to somebody and stated we are not going
16 to the Court June 7, 2019 and we have different plans. She never made trial exhibits or
17 binders which is supposed to be exchanged five working days of the Court. So, all was
18 very fishy what was going on.

19 116. So, Dr. Bhandari told my Husband, Uncle go to Washington Hospital
20 Emergency Room "ER" and my friend Dr. Preek will be there, and you pretend you
21 have chest pain so then he will admit you with my orders. He told me the same too. He
22 said Auntie, if you do not take the case out of the Court, I will keep doing this and Judge
23 cannot do anything.

24 117. Dr. Preek admitted him, and one other friend of Dr. Bhandari checked him.
25 They gave him a follow up letter to follow up.

26 118. So, on the 7th the trial date he stayed home and pretending he is sick, but he was
27 not sick as on June 8th morning he was Sikh temple (our church). He was 100% ok and
28 not sick, moving around doing the praise by himself. Talking to our friends, our friends

1 were not talking to him, They said what kind of person you are shame on you. You are
2 married 55 years and what are you doing. My husband said I am sorry I know; I have
3 lovely wife and I never wanted to do this, I came here from New York for her, and my
4 nephew's attorney is very very good, he told me and trained he can get me all of the
5 properties. He trained me to stop the trial and go to New York and to transfer the
6 properties to my brothers, so I am going today. My nephew's attorney, Mr. Jobson, he
7 trained me he told me to stop the trial and Dr. Bhandari helped me to admit me in the
8 hospital. Now I am going to New York for 3-4 months to do the money transfers as Mr.
9 Steely told me to. I love my wife; we will live together I will bring her home. I will
10 marry right here in Sikh temple. My husband was talking to the priest and all other close
11 friends, I will marry here, and she is my lovely wife, this is only for the properties Mr.
12 Jobson told me. Mr. Jobson pretend like your wife is not your wife, but she is your
13 roommate.

14 119. After church, My husband went to my friend's house, Raj Chaudhairy, who is
15 my lifesaver for over 20 years, whenever I dislocate my shoulder, so I stay with her for 6
16 months free. And she is given me money every month whenever I need for the lawyers,
17 and I told her when my case is over in June, I will pay her back. She was witness in my
18 case. My husband wrote one letter and told her to sign behind my back. He told her if
19 she signs, she does not have to go to Court and to be a witness because she is in
20 wheelchair. He tried to bribe her. Then my friend told me then I told her lets call him
21 about signing and why he is doing like that. When she called, he was in New York with
22 my brother and will be back in 3-4months.

23 120. They plotted all this to stop the trial.

24 121. Dr. Bhandari called me June 9th at 9am on my cell because he is a common
25 friend. He says see what I have done, I have stopped the trial and Judge cannot do
26 anything. I will keep giving him doctors notes if you do not take the case out of trial. Dr.
27 Bhandari came to the Court to meet my attorney Sabharwal to bribe her and told her not
28

1 to do my case and take my husbands and gave her same day appointment for 5 hours.

2 The she joined them and charged me for meeting with them.

3 122. Husband went to New York and stayed until September 2019.

4 123. On June 7, 2019, Judge Nixon was there for the first day of trial as the trial
5 Judge. My husband did show up for the Court. Judge gave order to appraise all 6
6 properties and 50/50. He made the minutes and they were on June 10th. But Judge

11 125. It was over before Judge Garcia taken care of everything.

12 126. As my husband called his employer in 2007 he retired and made me beneficiary
13 and married wife.

14 127. So, we were married and never separated, and all this case and seven months

25 multiple properties.

26 129. Defendants' Amarjit Narang and Dr. Bhupinder Bhandari, M.D. and others
27 conspired to produce fake medical documents in the Family Law Case in order to
28

1 continue and delay the hearing and put Defendant Amarjit Narang in to frustrate the
2 legal process and cause me to incur more legal fees and put me in a disadvantage.

3 130. The nature of involvement of the other Defendants for this cause of action is
4 currently unknown and will be ascertained during the course and scope of these
5 proceedings.

6 131. When Defendants made the actions and conduct described herein, Defendants
7 knew their actions were fraud.

8 132. Because of Defendants' actions and conduct described herein, I was damaged in
9 the following ways:

10 d. Emotional distress

11 e. Health - Stress that led to stroke

16 and that If I go, I will be wasting my time and money. He said I have note from Dr.
17 Bhandari and I am not going. He filed one hundred pages ex parte right in the trial
18 chambers saying he is very sick, and he may die today. Defendant's Anthoor and Uhl
19 used the wrong case number sending emails over and over to the trial judge to stop the
20 trial for fake sickness. Because Defendant Steely talked to my Husband and he will
21 train him and he can get him all of the properties, but you have to tell a lot of lies. And
22 first of all you must stop the trial right away and I need 3-4 months' time to get all of
23 this done as you have to go to your brother in New York and do a lot of money
24 transfers and transactions and you have to tell a lot of lies to pretend like your wife is
25 not your wife but she is your roommate. My husband said no problem, Mr. Steely, Dr.
26 Bhandari is my friend, he can help me to stop the trial and put me in the hospital one
27 day with fake sickness to stop the trial.

1 163. So, they plotted this fraud to stop the trial and they had three doctors. Dr.

2 Bhandari told my husband, Uncle, do not worry if you do not want to go to trial and
3 stop the trial, I will help you. Dr. Bhandari is a family friend and calls my Husband
4 Uncle because he is older than him. They plotted this one month back. One of my
5 friends told me they are going to do something very fishy and very bad, and they are
6 not coming to the Court for the trial.

7 164. I overheard Defendant Anthoor talking to somebody and stated we are not going
8 to the Court June 7, 2019 and we have different plans. She never made trial exhibits or
9 binders which is supposed to be exchanged five working days of the Court. So, all was
10 very fishy what was going on.

11 165. So, Dr. Bhandari told my Husband, Uncle go to Washington Hospital
12 Emergency Room "ER" and my friend Dr. Preek will be there, and you pretend you
13 have chest pain so then he will admit you with my orders. He told me the same too. He
14 said Auntie, if you do not take the case out of the Court, I will keep doing this and
15 Judge cannot do anything.

16 166. Dr. Preek admitted him, and one other friend of Dr. Bhandari checked him.
17 They gave him a follow up letter to follow up.

18 167. So, on the 7th the trial date he stayed home and pretending he is sick, but he was
19 not sick as on June 8th morning he was Sikh temple (our church). He was 100% ok and
20 not sick, moving around doing the praise by himself. Talking to our friends, our
21 friends were not talking to him, They said what kind of person you are shame on you.
22 You are married 55 years and what are you doing. My husband said I am sorry I know;
23 I have lovely wife and I never wanted to do this, I came here from New York for her,
24 and my nephew's attorney is very very good, he told me and trained he can get me all
25 of the properties. He trained me to stop the trial and go to New York and to transfer
26 the properties to my brothers, so I am going today. My nephew's attorney, Mr. Jobson,
27 he trained me he told me to stop the trial and Dr. Bhandari helped me to admit me in
28 the hospital. Now I am going to New York for 3-4 months to do the money transfers as

1 Mr. Steely told me to. I love my wife; we will live together I will bring her home. I
2 will marry right here in Sikh temple. My husband was talking to the priest and all
3 other close friends, I will marry here, and she is my lovely wife, this is only for the
4 properties Mr. Jobson told me. Mr. Jobson pretend like your wife is not your wife, but
5 she is your roommate.

6 168. After church, My husband went to my friend's house, Raj Chaudhairy, who is
7 my lifesaver for over 20 years, whenever I dislocate my shoulder, so I stay with her for
8 6 months free. And she is given me money every month whenever I need for the
9 lawyers, and I told her when my case is over in June, I will pay her back. She was
10 witness in my case. My husband wrote one letter and told her to sign behind my back.
11 He told her if she signs, she does not have to go to Court and to be a witness because
12 she is in wheelchair. He tried to bribe her. Then my friend told me then I told her lets
13 call him about signing and why he is doing like that. When she called, he was in New
14 York with my brother and will be back in 3-4months.

15 169. They plotted all this to stop the trial.

16 170. Dr. Bhandari called me June 9th at 9am on my cell because he is a common
17 friend. He says see what I have done, I have stopped the trial and Judge cannot do
18 anything. I will keep giving him doctors notes if you do not take the case out of trial.
19 Dr. Bhandari came to the Court to meet my attorney Sabharwal to bribe her and told
20 her not to do my case and take my husbands and gave her same day appointment for 5
21 hours. The she joined them and charged me for meeting with them.

22 171. Husband went to New York and stayed until September 2019.

23 172. On June 7, 2019, Judge Nixon was there for the first day of trial as the trial
24 Judge. My husband did show up for the Court. Judge gave order to appraise all 6
25 properties and 50/50. He made the minutes and they were on June 10th. But Judge
26 Chaterjee changed the minutes and made different minutes on June 12th and there was
27 no 50/50 division done.
28

1 173. They carried on this fake case number seven months and everyday new episode
2 bringing the New York case that was never the issue.

3 174. It was over before Judge Garcia taken care of everything.

4 175. As my husband called his employer in 2007 he retired and made me beneficiary
5 and married wife.

6 176. So, we were married and never separated, and all this case and seven months
7 fraud wasted the Courts time. Judge Garcia and Judge Nixon's orders were never
8 complied, and this fake case was started which was never used before HF17858281.
9 This case is fake case. Fraud by Jobson. Why did Judge carry on with this one, Judge
10 Chaterjee did not know anything about this case. I was shocked why my trial stopped.
11 It stopped because I was waiting for my money and my surgeries on hold. So Judge
12 Nixon moved after the trial date June 7, 2019 and Judge Chaterjee took his place.
13 Judge Chaterjee became the trial Judge.

14 177. On June 7, 2019 the Family Law Case was originally set for Trial. It was
15 eventually heard for trial in December 2019. Before and during the Trial Defendant
16 Amarjit Narang conspired with the other Defendants in this manner to defraud me out of
17 multiple properties.

18 178. Mary Grant joined with Staley Jobson and told A. Narang sometime on or
19 around May 2019 that in order to keep all of the community property real estate he
20 needed to have the trial postponed.

21 179. Defendants Mary Grant, Maize Kelsey and Staley Jobson produced false
22 documents that stated we were not married and made other false statements to the Court
23 in the Family Law Case.

24 180. The nature of involvement of the other Defendants for this cause of action is
25 currently unknown and will be ascertained during the course and scope of these
26 proceedings.

27 181. When Defendants made the actions and conduct described herein, Defendants
28 knew their actions were fraud.

182. Because of Defendants' actions and conduct described herein, I was damaged in the following ways:

j. Emotional distress

k. Health - Stress that led to stroke

l. Financial - Loss of my 50% interest in at least 7 Real Estate properties and other community property to be determined.

EIGHTH CAUSE OF ACTION FOR FRAUD and DOES 1-20 ("DEFENDANTS")

183. I was married to Defendant Amarjit Narang for over 51 years. We separated and a wrong legal action was filed in the Alameda County Superior Court on April 27, 2017 for Support and was given the Case no. HF17858281. It should have been filed in state and it was corrected right away. From April 27, 2017 my Judge was Judge Lupe Garcia. She gave a new case number, and the Petition for Legal Separation was filed in Alameda County Superior Court on July 20, 2017 and given Case no. HF17868366 through the trial date June 7, 2019. There was only one case through June 7, 2019, because we were living in California as Husband and Wife, married couple. 2007 through 2017 we lived together as Husband and Wife, married only and we bought properties together. My Husband never even mentioned we ever had 2 months separation or New York case because we forgot that, and we cancelled that and reconciled. In each of his declarations with the Court from April 2017, 2017 until June 7, 2019 we never had this issue, Husband always says we are married always 50/50. had nothing to do with the other case number which was misfiled as out of state. The cases were later consolidated (HEREINAFTER "Family Law Case").

184. We were ready for the trial on June 7, 2019. Me and my attorney, Dennis O'Neill. We made 154 Exhibits and three big binders. A lot of subpoenas because there were false leases.

185. We had seven properties and four rental properties. Two were with his nephew, Harmeet Narang, who lives out of state. Mr. O'Neill sent him a joinder.

1 186. Mr. Steely Jobson from California was to at the trial time of June 7, 10 and 11th,
2 2019 to represent Harmeet for trial. There was big fraud right in the trial room. One
3 hundred pages Ex Parte was filed for fake sickness. Mr. Steely Jobson did biggest
4 fraud being master frauder in the history of the United States to mislead the Judges. He
5 joined with him six more attorneys and three doctors. These nine people were not in
6 my case. Only Swapna and Anthoor was the only one. She also joined after 16 months,
7 then my Husband was put on Contempt. From April 2017 through April 25, 2018 my
8 Husband did not show up in the Court. He was sending fake sick notes from his friend
9 doctor Dr. Bhandari for fake sickness to the Court. My husband was harassing me
10 every Court date and telling me not to go to the Court dates. He said he was not going
11 and that If I go, I will be wasting my time and money. He said I have note from Dr.
12 Bhandari and I am not going. He filed one hundred pages ex parte right in the trial
13 chambers saying he is very sick, and he may die today. Defendant's Anthoor and Uhl
14 used the wrong case number sending emails over and over to the trial judge to stop the
15 trial for fake sickness. Because Defendant Steely talked to my Husband and he will
16 train him and he can get him all of the properties, but you have to tell a lot of lies. And
17 first of all you must stop the trial right away and I need 3-4 months' time to get all of
18 this done as you have to got to your brother in New York and do a lot of money
19 transfers and transactions and you have to tell a lot of lies to pretend like your wife is
20 not your wife but she is your roommate. My husband said no problem, Mr. Steely, Dr.
21 Bhandari is my friend, he can help me to stop the trial and put me in the hospital one
22 day with fake sickness to stop the trial.

23 187. So, they plotted this fraud to stop the trial and they had three doctors. Dr.
24 Bhandari told my husband, Uncle, do not worry if you do not want to go to trial and
25 stop the trial, I will help you. Dr. Bhandari is a family friend and calls my Husband
26 Uncle because he is older than him. They plotted this one month back. One of my
27 friends told me they are going to do something very fishy and very bad, and they are
28 not coming to the Court for the trial.

1 188. I overheard Defendant Anthoor talking to somebody and stated we are not going
2 to the Court June 7, 2019 and we have different plans. She never made trial exhibits or
3 binders which is supposed to be exchanged five working days of the Court. So, all was
4 very fishy what was going on.

5 189. So, Dr. Bhandari told my Husband, Uncle go to Washington Hospital
6 Emergency Room "ER" and my friend Dr. Preek will be there, and you pretend you
7 have chest pain so then he will admit you with my orders. He told me the same too. He
8 said Auntie, if you do not take the case out of the Court, I will keep doing this and
9 Judge cannot do anything.

10 190. Dr. Preek admitted him, and one other friend of Dr. Bhandari checked him.
11 They gave him a follow up letter to follow up.

12 191. So, on the 7th the trial date he stayed home and pretending he is sick, but he was
